

500NIT DIGITAL
SIGNAGE

500NIT DIGITAL SIGNAGE

DESCRIPTION

The 500nit digital signage offers superb picture quality with its Ultra HD resolution, delivering vivid colors and details that are four times sharper than FHD. Its non-glare coating minimizes reflections, enhancing visibility and text readability in bright environments. The design features a narrow bezel and slim profile, allowing for easy installation while creating an immersive viewing experience. Additionally, the series includes a detachable transparent logo and built-in speakers, providing flexibility and eliminating the need for external audio equipment.

SPECIFICATION

Size	65 Inch
