DESCRIPTION

The Wall-mounted LCD Photo Frame Screen, available in sizes from 21.5 to 55 inches, delivers stunning Full HD resolution (1080x1920), ensuring sharp and vibrant visuals. With tailored display areas for each size, it provides clarity and precision for all your digital content. Its brightness range of 300-350 cd/m² allows for clear viewing in various lighting conditions, making it perfect for both commercial and personal use. The sleek, slim design blends seamlessly into any environment, whether in a business setting, retail space, or at home, turning your content into a captivating visual experience.
