PORTABLE BATTERY POWERED KIOSK

WA-I430-PFSS/ WA-I550-PFSS

DESCRIPTION

Experience brilliant visuals with the 43/55 Inch Portable Battery Powered Kiosk. Featuring Full HD resolution (1080*1920) and 1500 nits brightness, it ensures perfect clarity, even in sunlight. With up to 8-10 hours of battery life and a quick 7-hour recharge, it's ideal for outdoor promotions, events, and mobile advertising. Durable and sleek, this kiosk provides a versatile and portable solution for engaging your audience on the go.
